

**\$\$ Free Opportunity
for Coordinators**

SAVE THESE DATES: OCTOBER 19 & 20, 2009

FUND DEVELOPMENT RETREAT

*(Funded by Compassion Kansas, a program of the
Center for Community Support and Research)*

The Conference Center
at Rolling Hills Wildlife
Adventure
625 N. Hedville Road,
Salina, KS 67401

- Monday, 10/19, 9:00 AM-7:00 PM
(Monday night Lodging will be provided in a nearby motel.)
- Tuesday, 10/20, 9:00 AM-1:30 PM

BOD training on Tuesday from
1:30 PM-3:30 PM

What does this mean to you?

- Invest your good ideas and your influence and
- You will get: a stronger statewide organization;
and an increased distribution of money and
provision of services to your local Network,
- Which will enable you to reach more children and
families with life-changing services.

<http://www.rollinghillswildlife.com/index.html>

The planning process for the Fund Development Plan will be facilitated by Seth Bate and Sam Demel, Community and Organizational Specialists, from the Compassion Kansas program of the Center for Community Support and Research.

You will be served good food and snacks and treated to a Tram Tour of the Wildlife during a break. (The Zoo is home to over 300 animals, many rare and endangered.) You will also have admission to the museum which houses one of the largest collections of preserved animals in the world, life-like animatronic robots, four waterfalls, an education center and a dome theater.

The focus of the Planning Retreat is the making of a Fund Development Plan for the sustainability of the tiny-k Foundation as it provides sustainability to the local Networks.

Additional representatives from your Network may attend for the cost of \$125. On a cautionary note, this will be a focused Planning Retreat and has been individualized to address the specific needs of the tiny-k Foundation and subsequently local Networks.
